Subject: library annexation FAQs and survey results

Hello everyone. I know you frequently get questions from the public (and have a few yourself!) about the potential annexation to KCLS. We now have posted, thanks to Aaron, a Frequently Asked Questions page on the library's website that provides a great deal of information, as well as a link to the final report of the survey we did this summer. The document has been forwarded to the Public Disclosure Commission to verify that it is an objective, factual piece.

The FAQ document was created with the input of many people, including the consultants who did the survey, KCLS Communications Department, [REDACTED CITY EMPLOYEE NAMES]. We will be receiving printed copies of the document in the next day or so that can be handed to anyone who asks for information, and we can also refer them to the library's homepage <http://library.rentonwa.gov> - the link to the FAQ is in the center section under "Special Announcements".
